

Greetings from Wagon Mound.

One of the oldest and most esteemed events in New Mexico happens right here in Wagon Mound – The Bean Day Celebration and we need your help for this year and beyond.

Throughout the years members of the Bean Day Association and other volunteers have enjoyed organizing, working, and preparing the beautiful village for our revered celebration. Preparation with great pride simply because we know family, friends, former Wagon Mound residents and their family and friends will be attending the Bean Day Celebrations. “The more the merrier,” is what we say. That weekend is for you as much as it is for us! It certainly is our desire to keep the traditions going year after year, the challenge of keeping our fun, family-oriented events as part of Bean Day.

We are asking you to be a visible part of the everlasting Bean Day Family. The community of 340 citizens swells to several thousand on summer’s final weekend of outdoor glee and our wish is to put on a great weekend of fun events for everyone, to enhance our established events and also to add more to the Bean Day experience. The Bean Day Association is continuing the fund drive and would be very grateful if you would commit a charitable donation to help our cause. Here are some ways of contributing:

- **Individual donation -- \$100**
- **Individual donation – any amount**
- **Family donation --\$100**
- **Family donation --\$200 (include the extended family)**

With the needed funds, the Bean Day Association plans the following: (1) using the funds to help defray the costs of the bar-b-que meal served on Monday (2) upgrades to the rodeo grounds and general maintenance for the Veteran’s Memorial; (3) to purchase official Bean Day souvenirs (tees, caps, pins, etc) and market these items; (4) to enhance the live entertainment experience at the Friday, Saturday and Sunday night dances.

We are trying to make a positive difference through our fundraising action and your contribution will have a definite impact on our efforts. We assure you of this – we shall use the funds in a prudent manner and we will market wisely. We hope you can help the Bean Day Association with this fund drive. Que Viva Bean Day! Thank you for your time and consideration.
